## The Fall Banquet

HUBBA's Fall Banquet was the perfect way to end not only the Fall Semester but also the year 2010. We typically invite all active HUBBA members to celebrate with the executive board. Present at the meeting was the lovely and graceful Mrs. Faye Lawson, founder and faculty advisor for HUBBA. This year's Fall Banquet took place at Jupiter's Pizza located in down-

town Berkeley. Awards, such as "The Members of the Semester" were given out to two males and two females, they were Jayson Sam, La'Ban Wade, Julienne Nunn and Emani Turlock.

Our Chevron Representative and HUBBA Board members organized a social or game night for HUBBA members to not only take a break from studying, but also to engage with, on a more casual level, the Chevron Representatives. Chevron is looking for people inter-

ested in the areas of accounting and finance, so this gave HUBBA members a leg up in the search for potential internships. The popular game of the night was "Taboo" a personal favorite of HUBBA's President, Amaru Moses.

## "Catch a Dream" Talent Show

The "Catch a Dream" talent show is a community service event in partnership with a Platinum Sponsor and the Latino Business Student Association (LBSA). It provides underprivileged youth with the opportunity to display their unique tal-

ents on a large scale, while also learning the importance of striving toward excellence and higher education. This is an extremely rewarding event open to not only the youth, but their families as well.

## Sponsor Highlight : Chevron

Chevron Corporation is an American multinational energy corporation. Headquartered in San Ramon, California, and active in more than 180 countries, it is engaged in every aspect of the oil, gas, and geothermal energy industries, including exploration and production; refining, marketing and transport; chemicals manufacturing and sales; and power generation. Chevron is one of the world's six "supermajor" oil companies. For the past five years, Chevron has been continuously ranked as the one of America's 5 largest corporations by Fortune 500. HUBBA is proud to have them as one of our sponsors.
